The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claim 12 is rejected under 35 U.S.C. 102(b) as being anticipated by Japan ('613).

In particular, see the Figure and the Abstract text provided.

Claims 1-7, 9-11 and 13-16 are allowed.

Since newly discovered art has been applied against claim 12 this action has been made non-final.
